

2018

Summer Neighbor Nights ...

"Walk in wisdom toward them that are without, redeeming the time." Colossians 4:5

The beautiful summer weather gives us some unique opportunities to reach out to our neighbors. Begin now to make some plans and extend invitations to those that you have been praying for.

Who will you reach out to this summer?

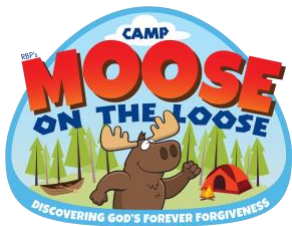

Mark your calendars for August 13 – 17. Invite cards are available in the lobby.

Ladies, make your plans to come out on July 12 for an evening of fellowship and help prepare the crafts for VBS. Bring a pair of scissors, a snack & a friend!

Vacation Bible School is the highlight of our summer ministry. The planning is already well underway for another exciting week of sharing the gospel with boys and girls. Your help is needed so please contact Janet Tluchak to volunteer. Also, a list of items that are needed for decorations is available at the Welcome Center.

Even if you cannot be present on site during the week of VBS please begin now to pray for all who will be teaching and serving.

Summer Guest Speakers: We are privileged this summer to be able to have Dr. Sam Horn and Evangelist Andy Gleiser with us on two successive Sundays in July (8 & 15) as they are speaking at the Wilds of New England.

Planning ahead ... The first two Wednesday nights in August will be focused on praying for the upcoming VBS and preparing the facility. Please plan to join us on August 1 & 8 at 7:00 for these special evenings.

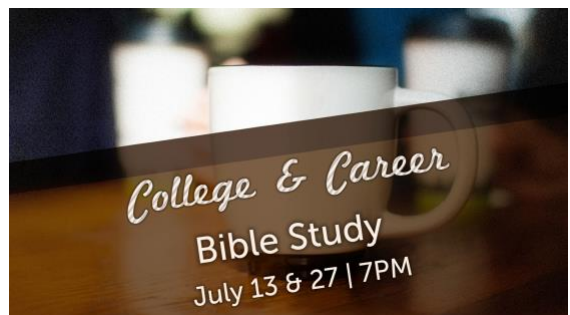

Saturday | July 28 | 10:00 AM

Ladies, come celebrate with Valerie Cardona the upcoming birth of their first baby, Dante. Valerie is due October 7 and is registered at babylist.com.

Ministry House Hosts Needed

If you would be willing to be a blessing to those who stay in the Haven of Rest please sign up on the list at the Welcome Center. A host usually provides a welcome note and a small plate of snacks or a basket of fruit, and maybe some fresh flowers. This small touch has been mentioned repeatedly as a great blessing to those who have stayed with us.

Mark Your Calendar
